

# Coyote Lake Lodge – A Project of Alberta Abilities Lodges Society

## Fee Structure: Dated January 1, 2020

**Introduction:** Alberta Abilities Lodges Society is a young, non-profit society and a registered charity (# 844248617RR0001) that operates completely with volunteers on private donations and without government operating support. For more information on our accommodation, ask for our Accommodation Services information. We hope that our guests recognize the fees are an investment in providing ever increasing quality of service to persons with a disability and seniors who will benefit from fun events in nature. A portion of fees will be added to our endowment fund that supports travel to the lodge for groups with limited resources.

**Registration and Payment:** Accommodation availability is on a first come, first served basis. Guests are encouraged to book weeks in advance of arrival. A 50% non-refundable deposit is required to secure a reservation. Children under two years of age are free. There is no reduced rate for children older than two years of age. Make cheques for the reservation payable to “Alberta Abilities Lodges Society” and mail to AALS, PO Box 4455, Edmonton, Alberta T6E 4T5.
